MIXED PICKEM, -1; gallons of cabbage ; 1 gallons cucumbers ; 1 gallon green tomatoes; 1 gallon onions; 3 quarts green pepper chopped fine and pressed hard to extract the water. Before measuring, mix and put in a bag the over night; next morning squeeze and press all the water that can be gotten from it; then prepare the seasoning: 1 cups ginger; 1 cups black pepper; I puart white mustard seed; I pint grated horseradish; 1 tablespoonful eloves; 2 ounces celery seed; 4 grated nutmegs; mix together and then mix through the pickle. Take three gallons of apple vinegar, add five pounds of sugar, boil and pour over the mixture. Salt to

encumbers to fill a three gallon jar; put on them a tescupful of salt, and cover them with boiling water. Let them stand over night, then pour off the water and wipe the cucumbers dry. Then put them into a brass kettle and cover them with vinegar; add a piece of alum the size of a hickory nut. Heat gently; do not allow them to boil, but keep them warm for three hours, and then pour off the vinegar, which will be worthless. Put the cucumbers into s jar and then take fresh vinegar and heat to boiling in a brass kettle, adding spice, mustard seed and peppers to taste. Skim and pour it while boiling hot on the encumbers. Let it stand for twenty-four hours, then pour off and boil and skim the vinegar for three successive days. Then pour it on the cucumbers, and set aside ready for use.

Good eider vinegar should be used. LARGE FARM .- A correspondent of the Lafayette Courier sends that paper some account of what is probably the largest and best managed farm in the world. It is in Knox county, Ill., and is owned by Mr. Michael Sullivant, seemed to love it well! Yet startled formerly of Ohio. The farm comprises oft at trifles, with a shriek that seemed formerly of Ohio. The farm comprises 40,000 acres, and is thirty-two miles in circumference. Five hundred men and teams are kept constantly employed in one charming creature, who could most teams are kept constantly employed in one charming creature, who could most the circumference in the circumferenc working it. There is not a mile of wood- my soul entrance, by wondrons winning season, is strictly an American cholers, en fencing on the place, the entire farm archness and a tender, melting glance, and, while it is in every way as much a being hedged with osage orange into 640 seemed to say: You know you love me; acre sections. Each section is numbered and has its own "boss," tenants, work-and has its own tenants, which is not to be a section to have a section tenants, which is not to be a section to have a section tenants and has its own tenants a men, farmhouse, barns, etc. The whole lamb! Thus through childhood, youth is in perfect order, and furnishes a fine and manhood, ay! each moment of my And now the green-eyemoustred ravexample of what can be accomplished in life, my heart has felt the winning ages placid Green Bay, where Mrs. one with a sense of your power. No Person can take these Bitters according to directions, and remain lone unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted be ond

repair.
Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughous the United States, especially those of the Mississippi, Ohio, Missouri, invariably accompanied by extensive deand other abdominal viscera. In their is no eathartic for the purpose equal to DR. J WALKER'S VINEGAR BITTERS. as they will speedily remove the darkcolored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver functions of the digestive organs.

Fortify the body against disease BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Head-Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitatation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidis, are the offsprings of Dyspepsia One bottle will prove a better guarantee f its merits than a lengthy advertise-

Scrofula, or King's Evil, White wellings, Ulcers, Erysipelas, Swelled Neck, oitre, Scrofulous Inflammations, Indolent mations, Mercurial Affect res, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remitent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bisters have no equal. Such Diseases are caused by Vitigted Blood.

Mechanical Diseases. - Persons enraged in Paints and Minerals, such as lumbers, Type-setters, Gold-beaters, and-Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VIN-

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Sposs, Pimples, Pustules, Beils, Carbancles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Piscolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No For Female Complaints, in young

Cleanse the Vitlated Blood when-

sluggish in the veins; cleanse it when it is foul; your feehags will tell you when. Keep the blood pure, and the health of the system will follow.
